

THAT'S IT!!!

THAT'S IT!!!

THAT'S IT!!

BTTON THAT'S IT!!!

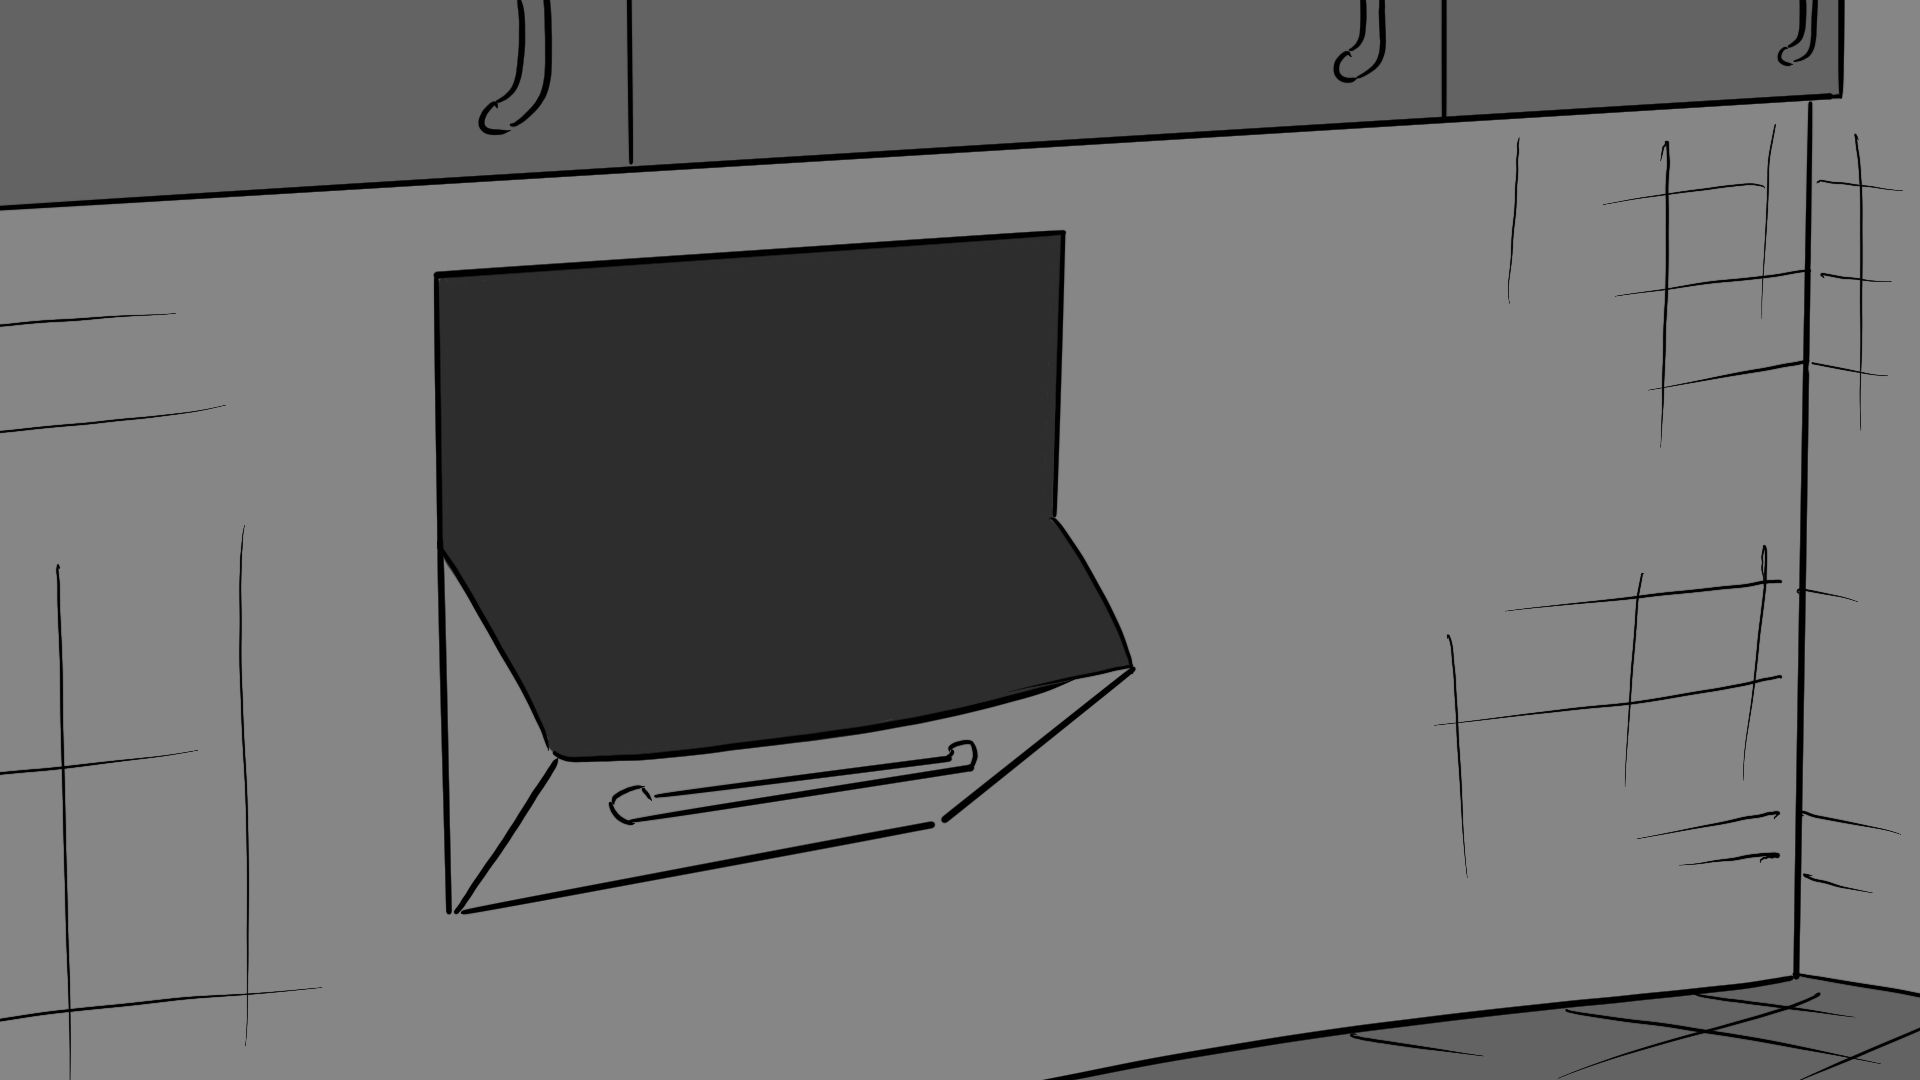

THAT'S IT!!!

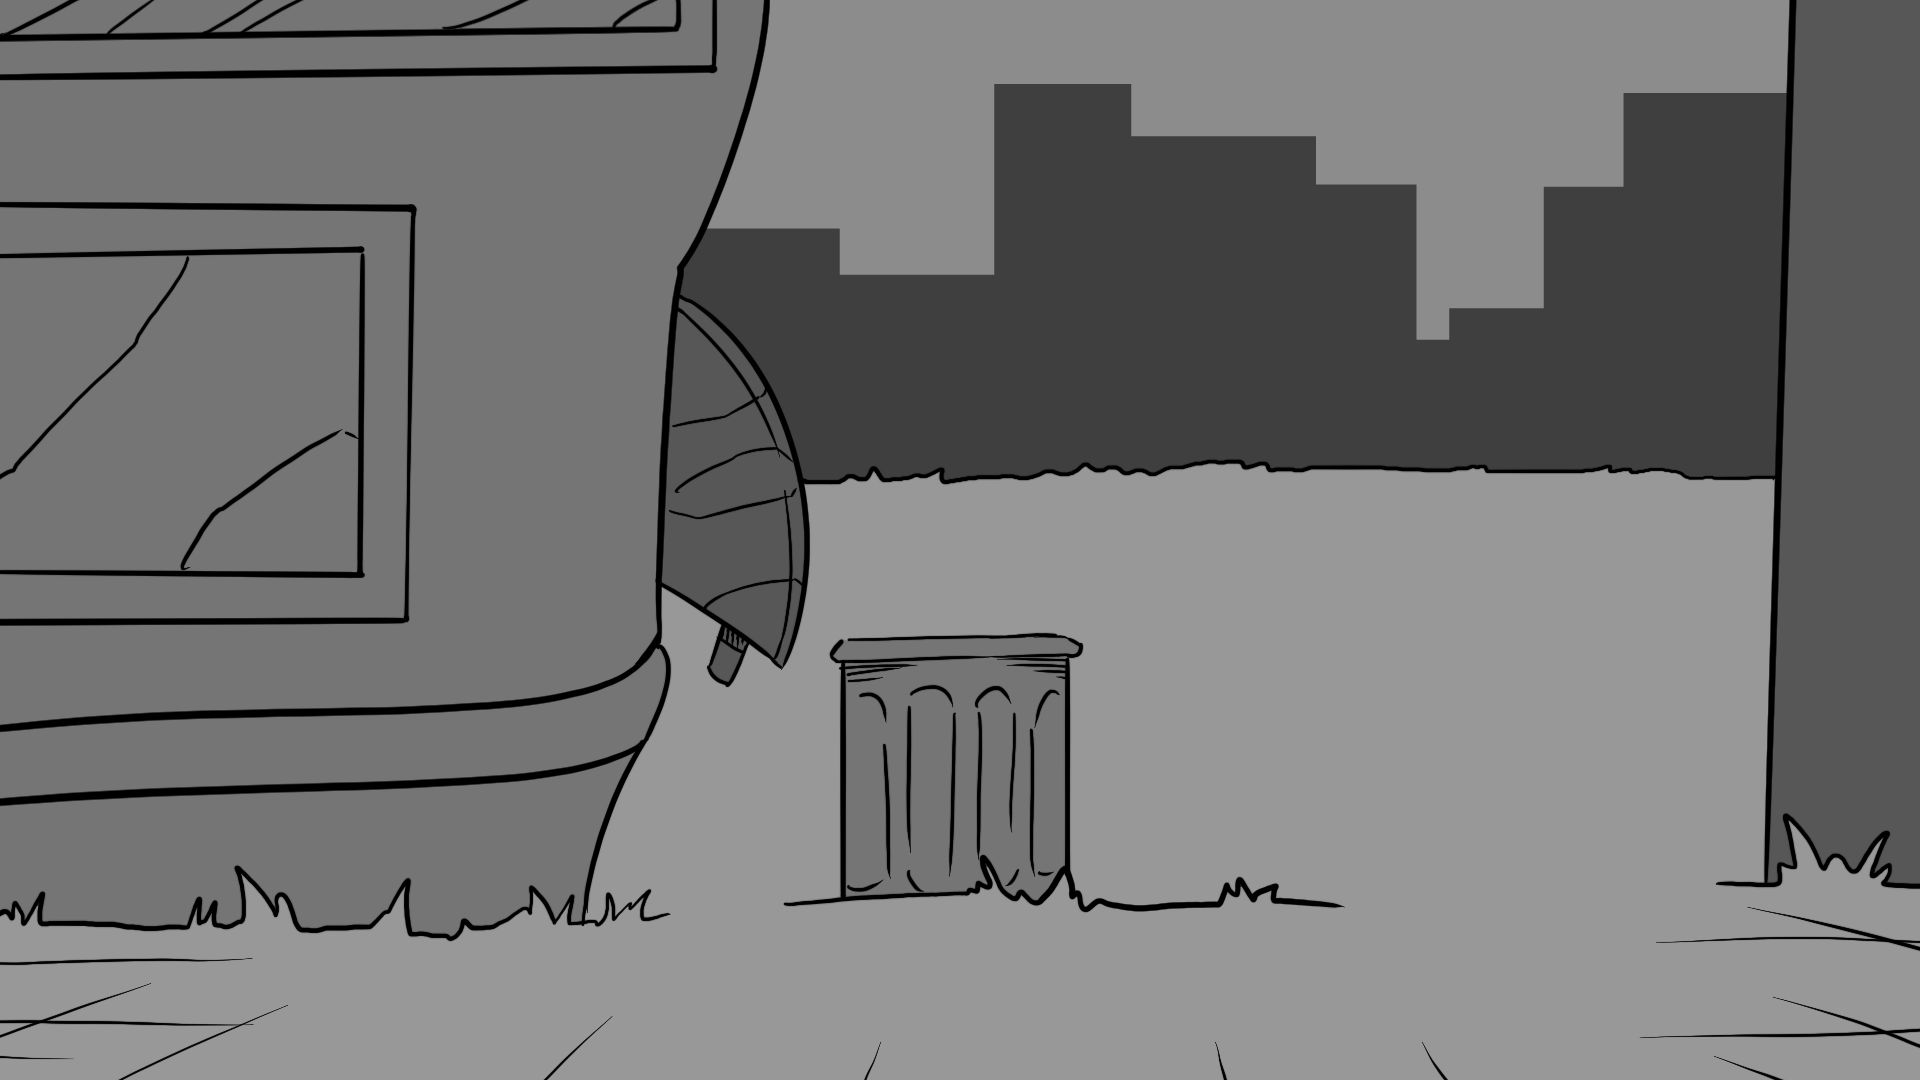

THAT'S IT!!!

THAT'S IT!!!

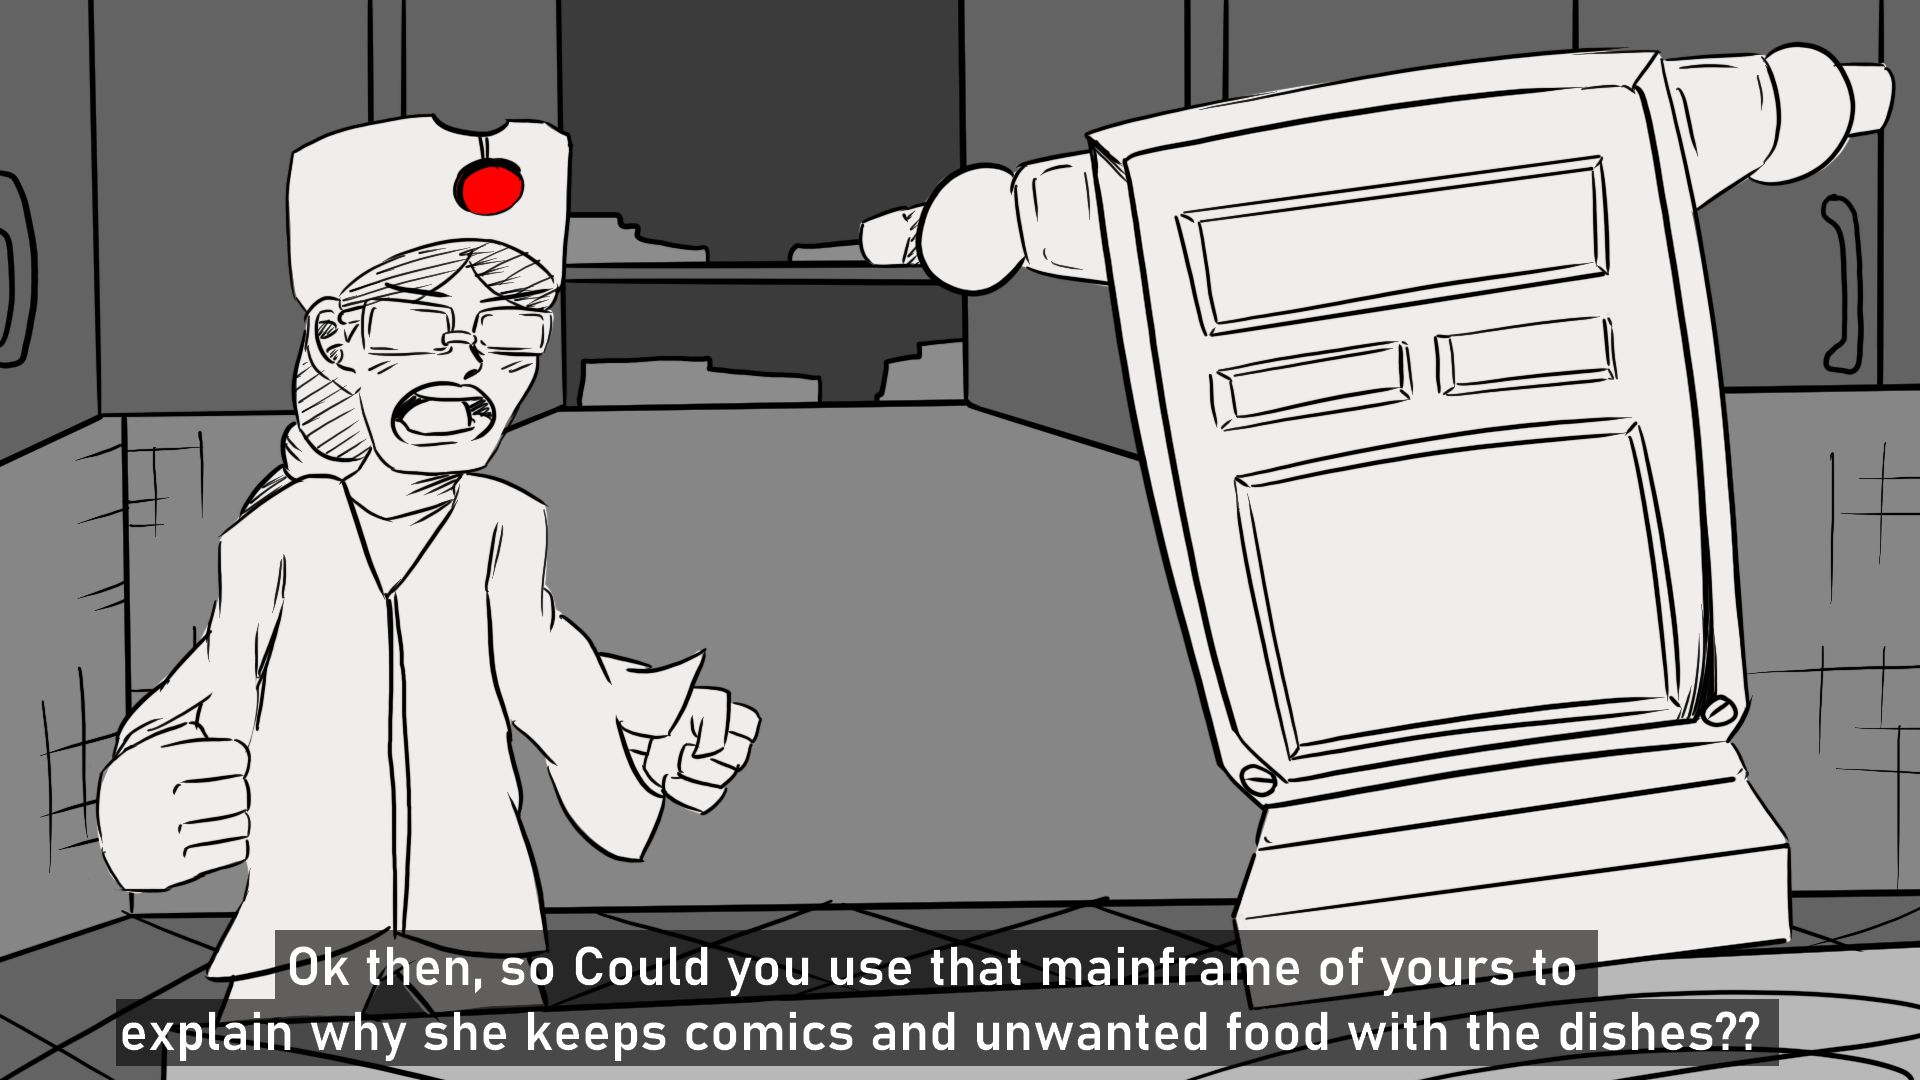

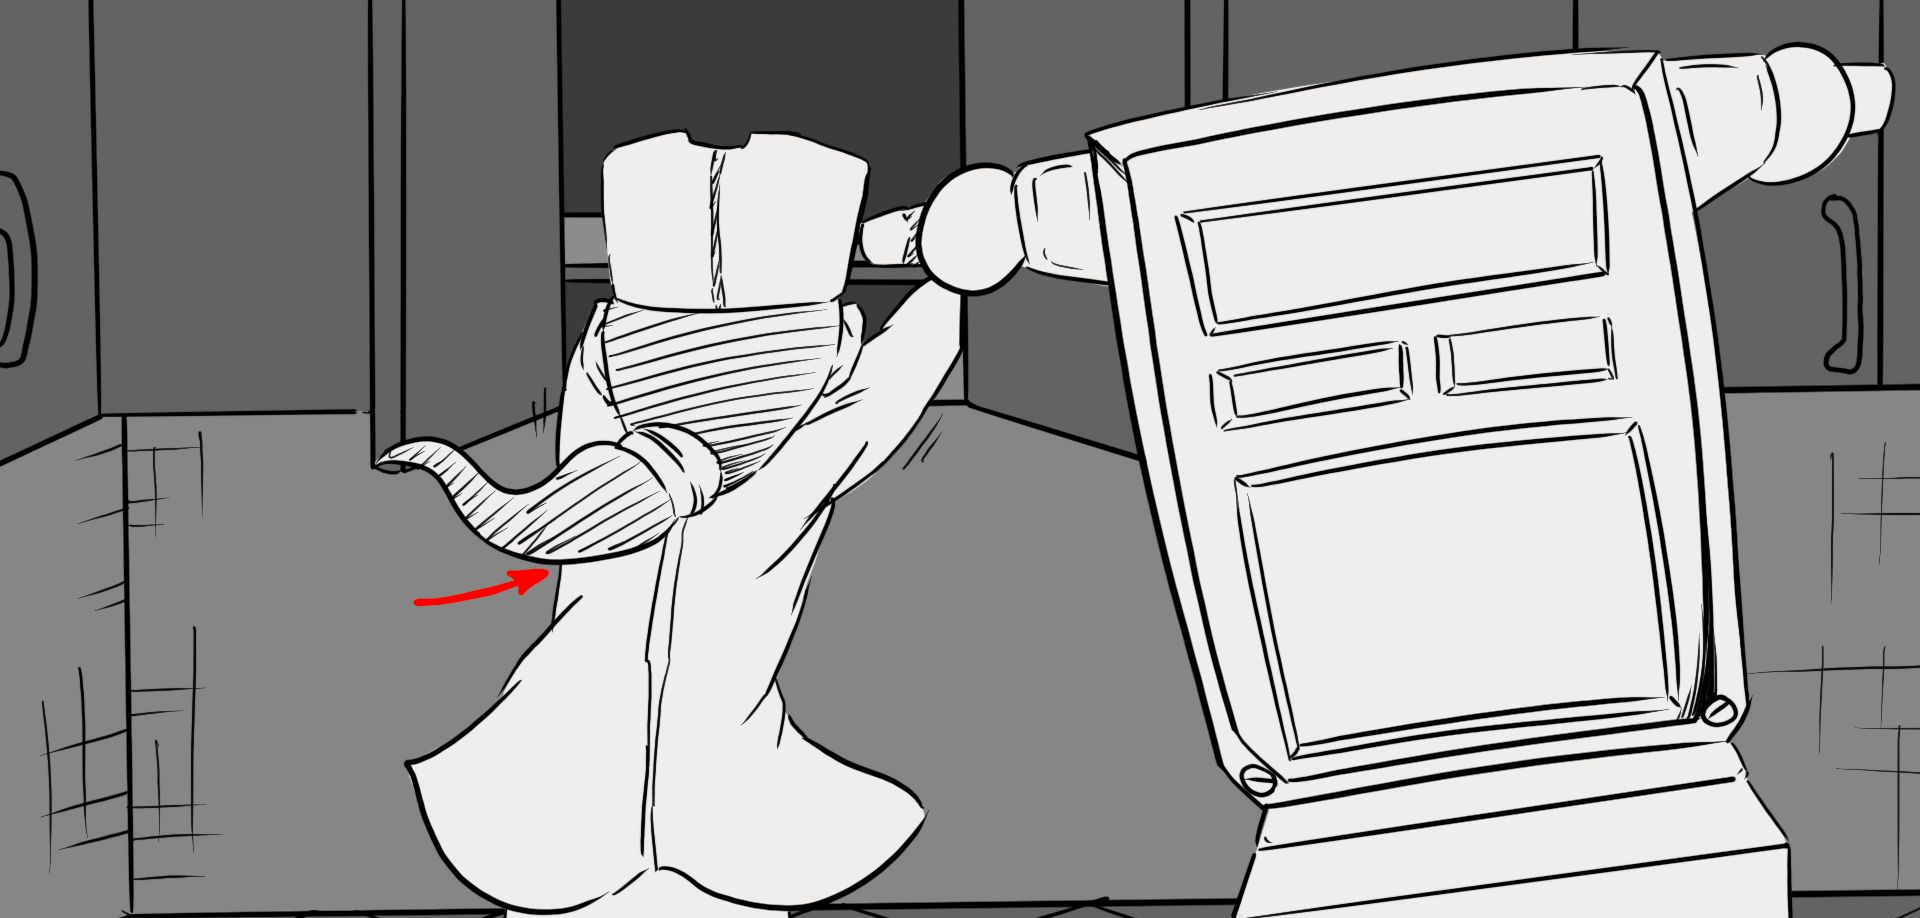

I can't take it anymore Russ!

I warned you having a goddess
as a roommate would be taxing!

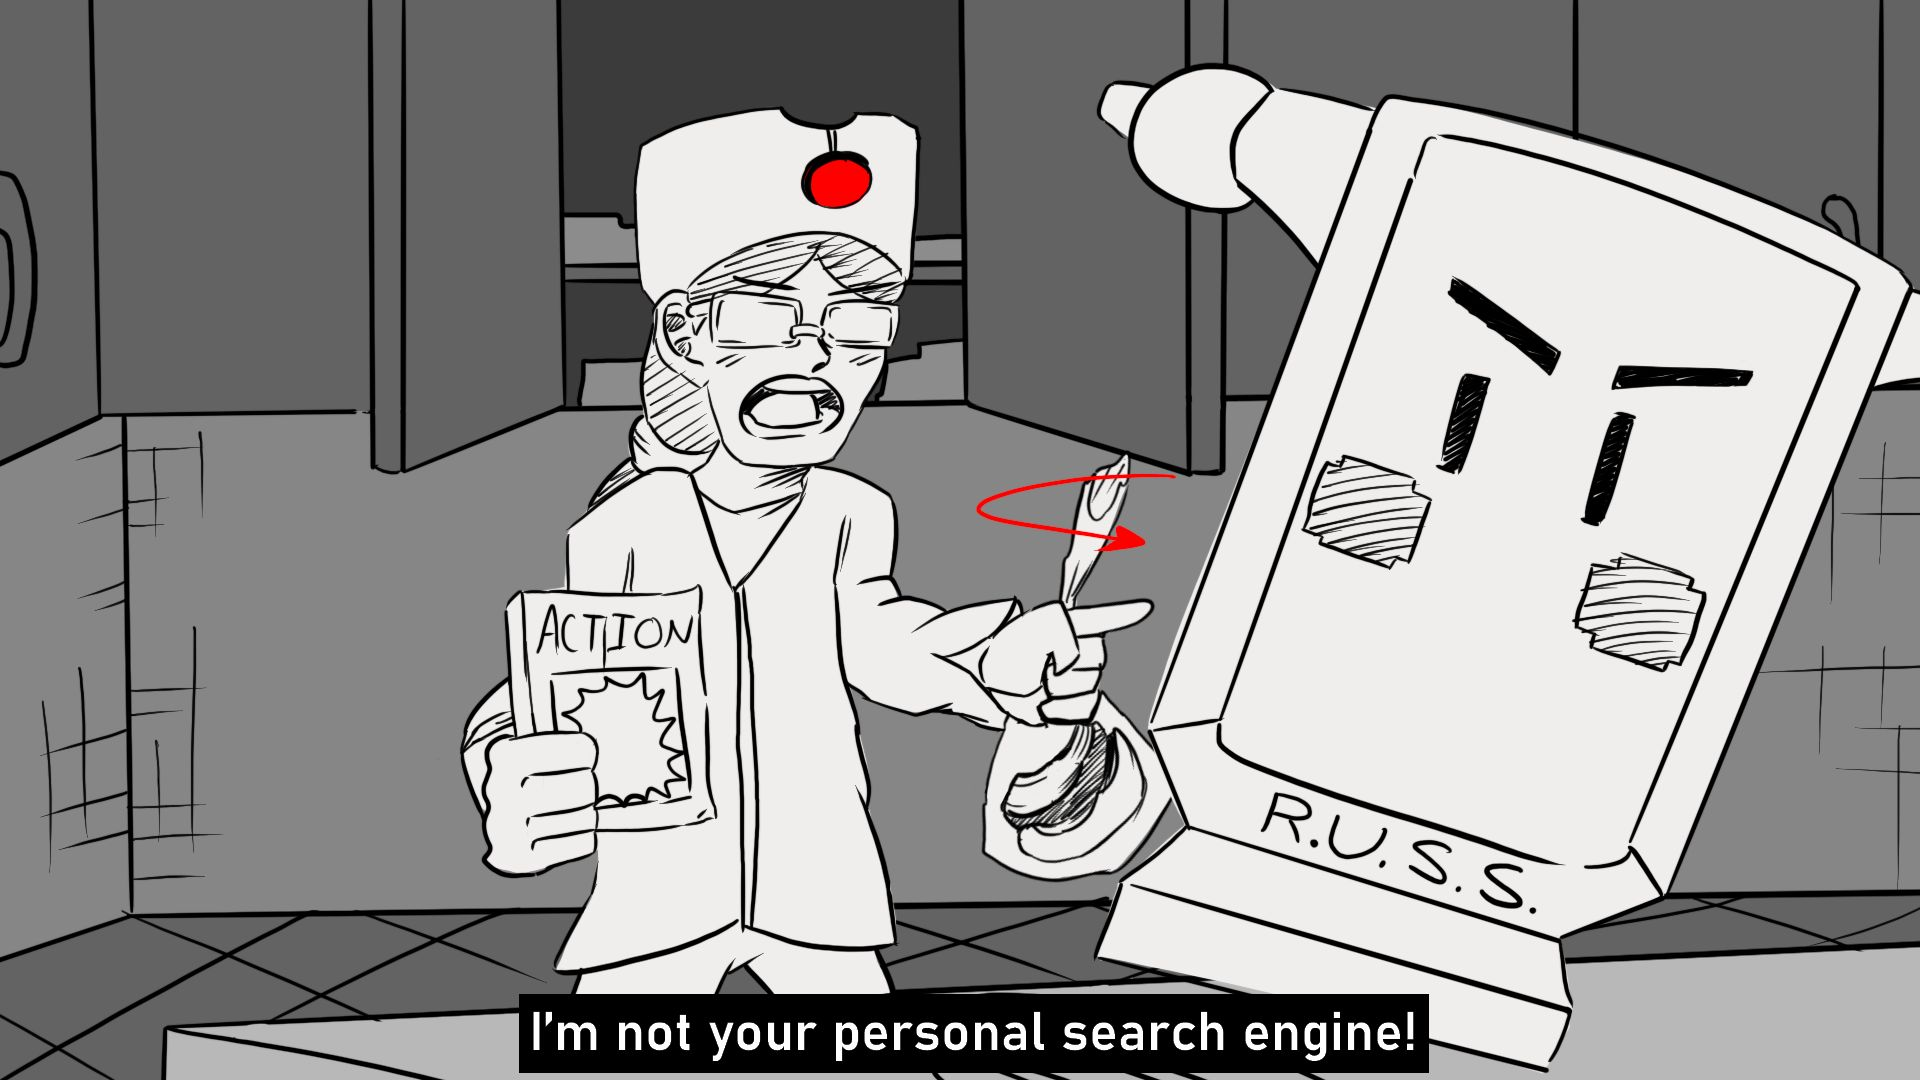

Ok then, so Could you use that mainframe of yours to explain why she keeps comics and unwanted food with the dishes??

Look, you also think that Sunsetia's messy, right?

Yeah..

Then we can agree that we shouldn't pick up after her, right?

Then we can agree that we shouldn't pick up after her, right?

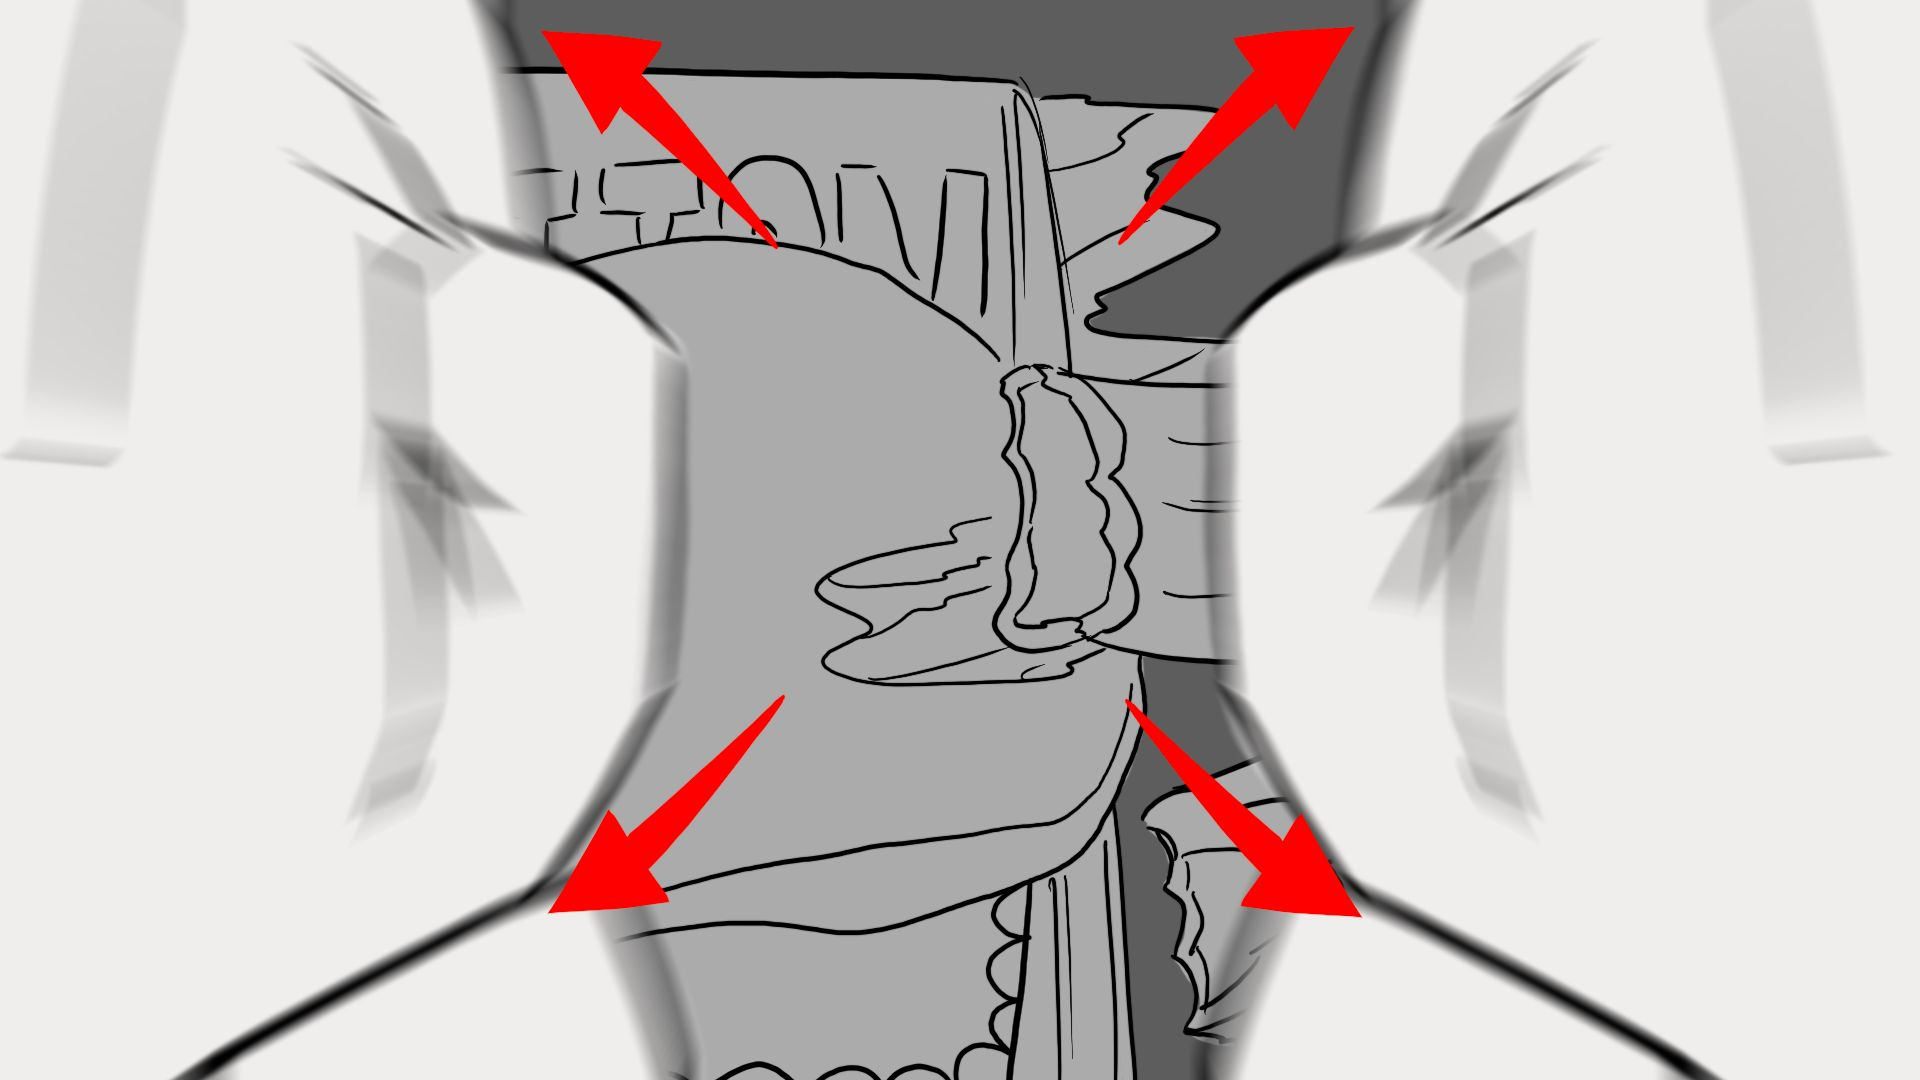

Right...where is this going?

BIG

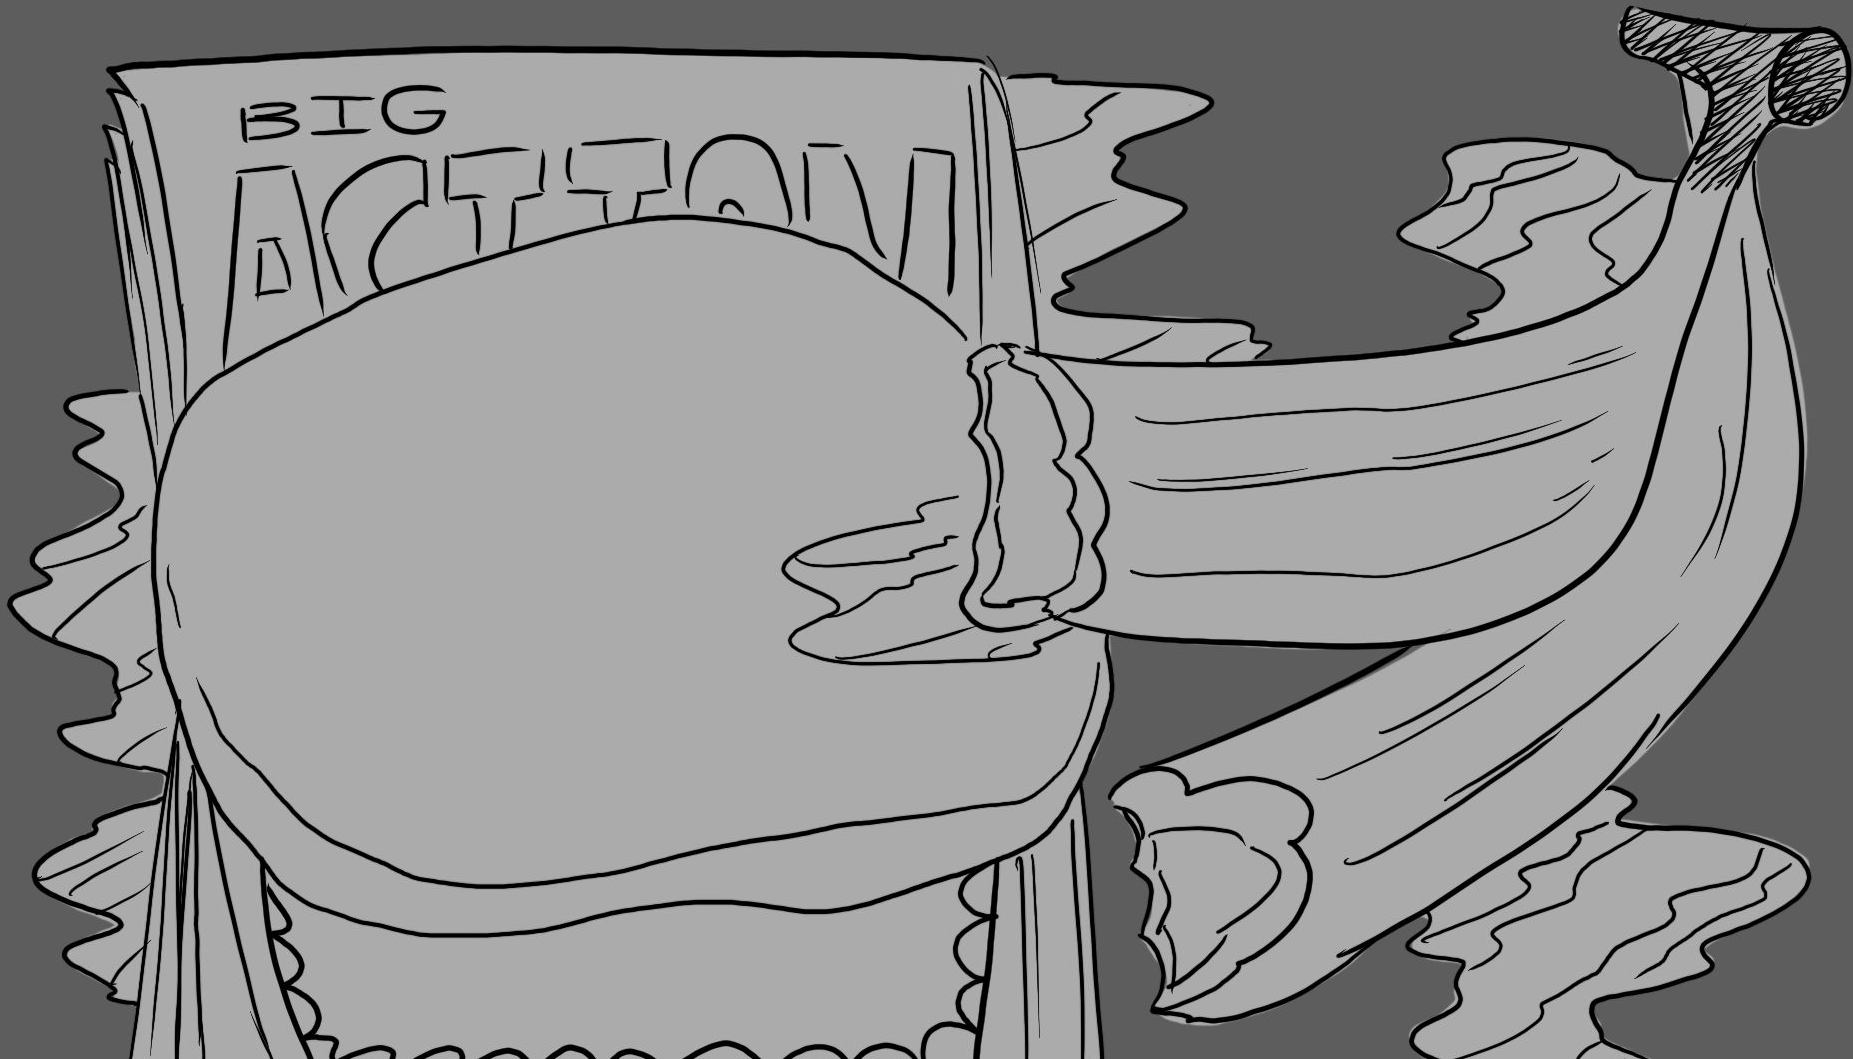

ACTION

It's simple.

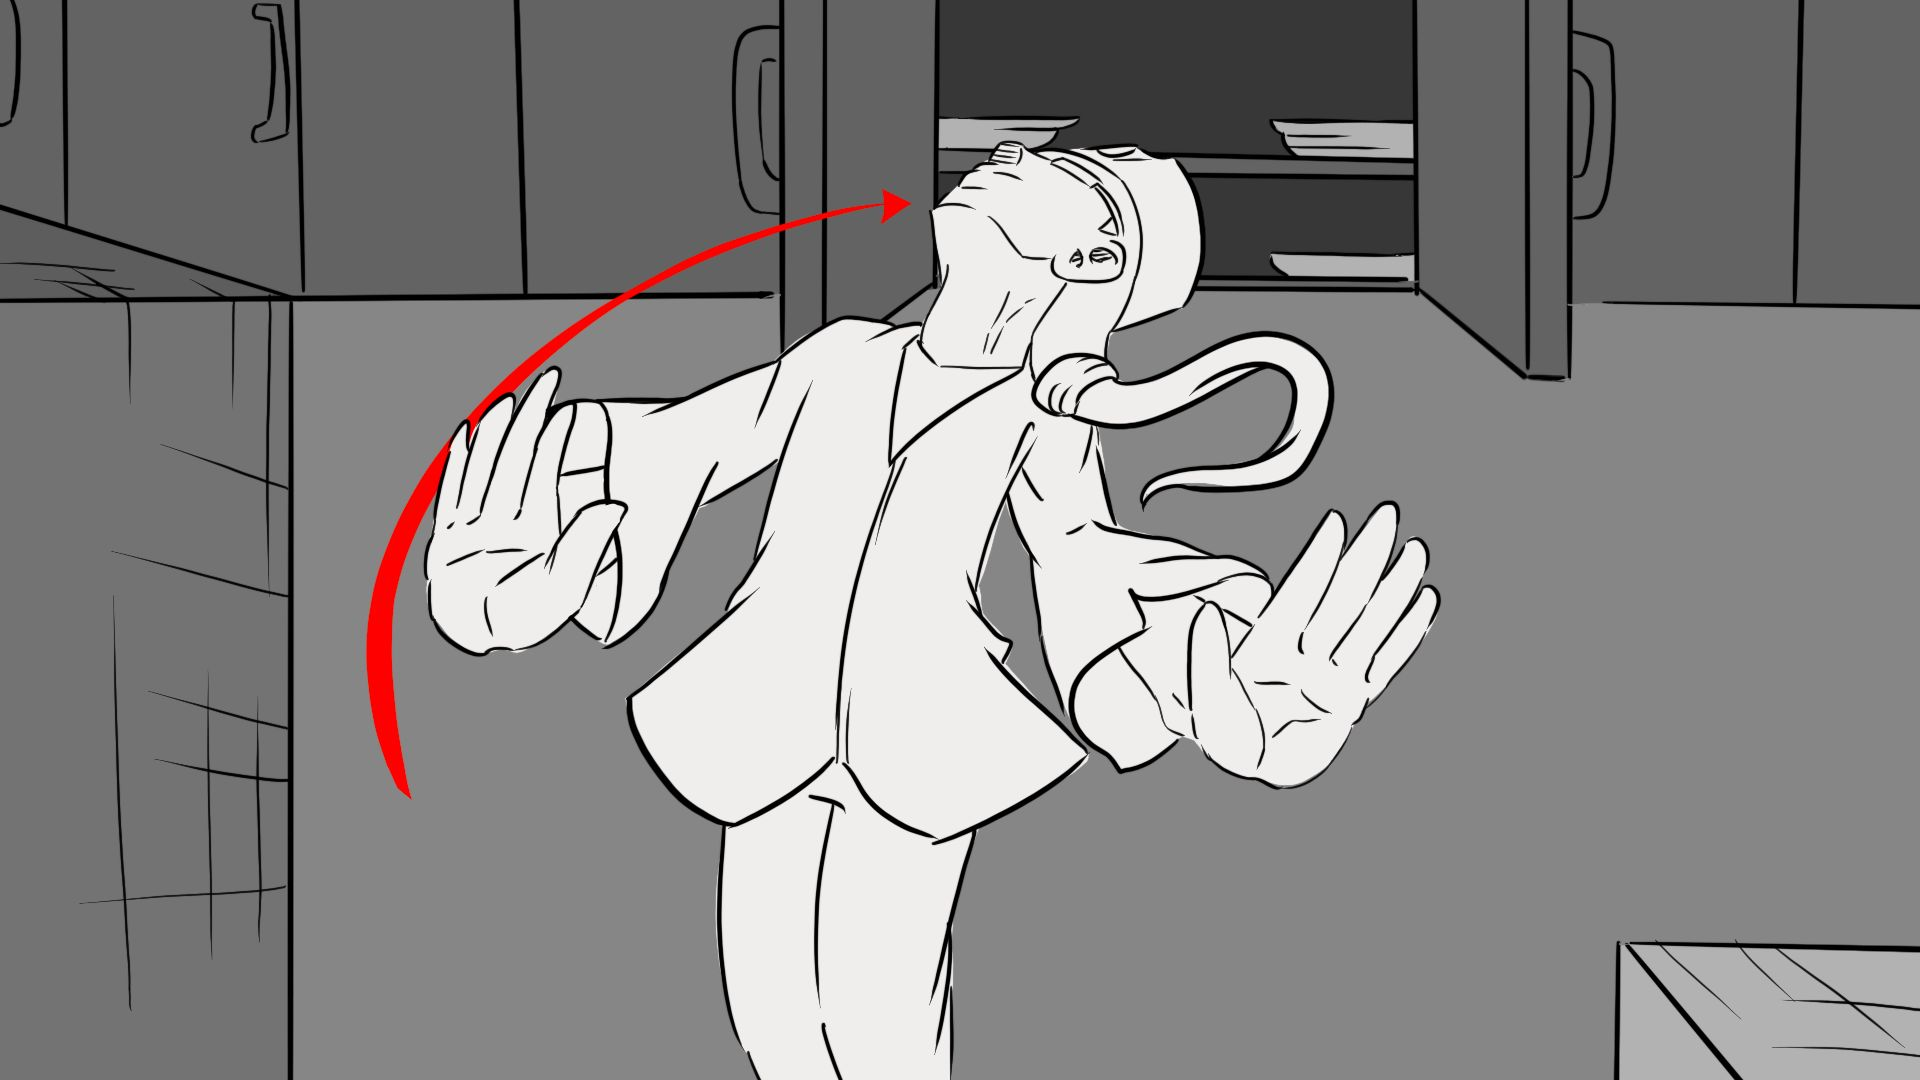

BIG

ACTIVATION

Why is such a “distinguished” goddess like herself still living here?!

Why is such a “distinguished” goddess like herself still living here?!

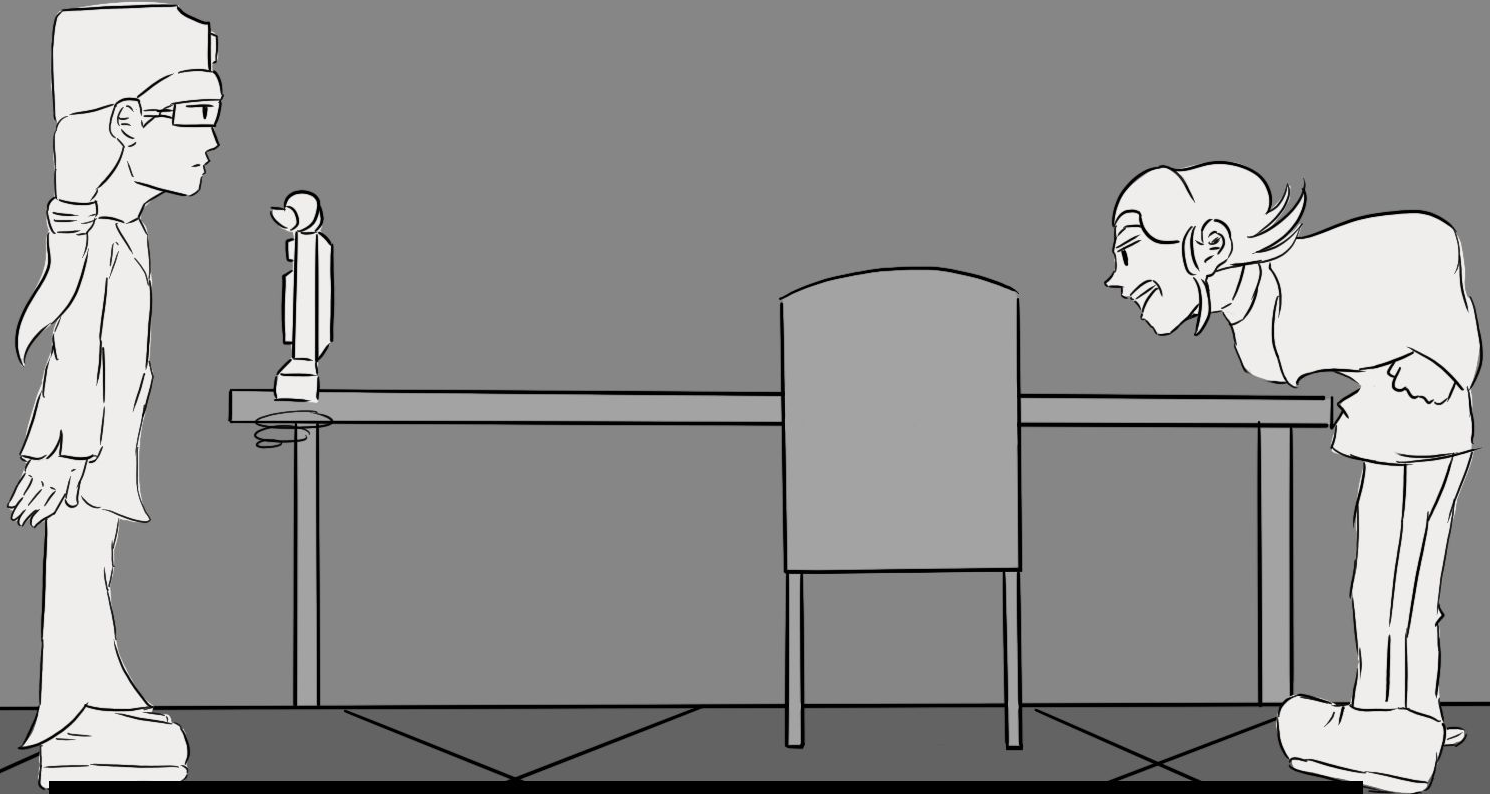

Ask her yourself!

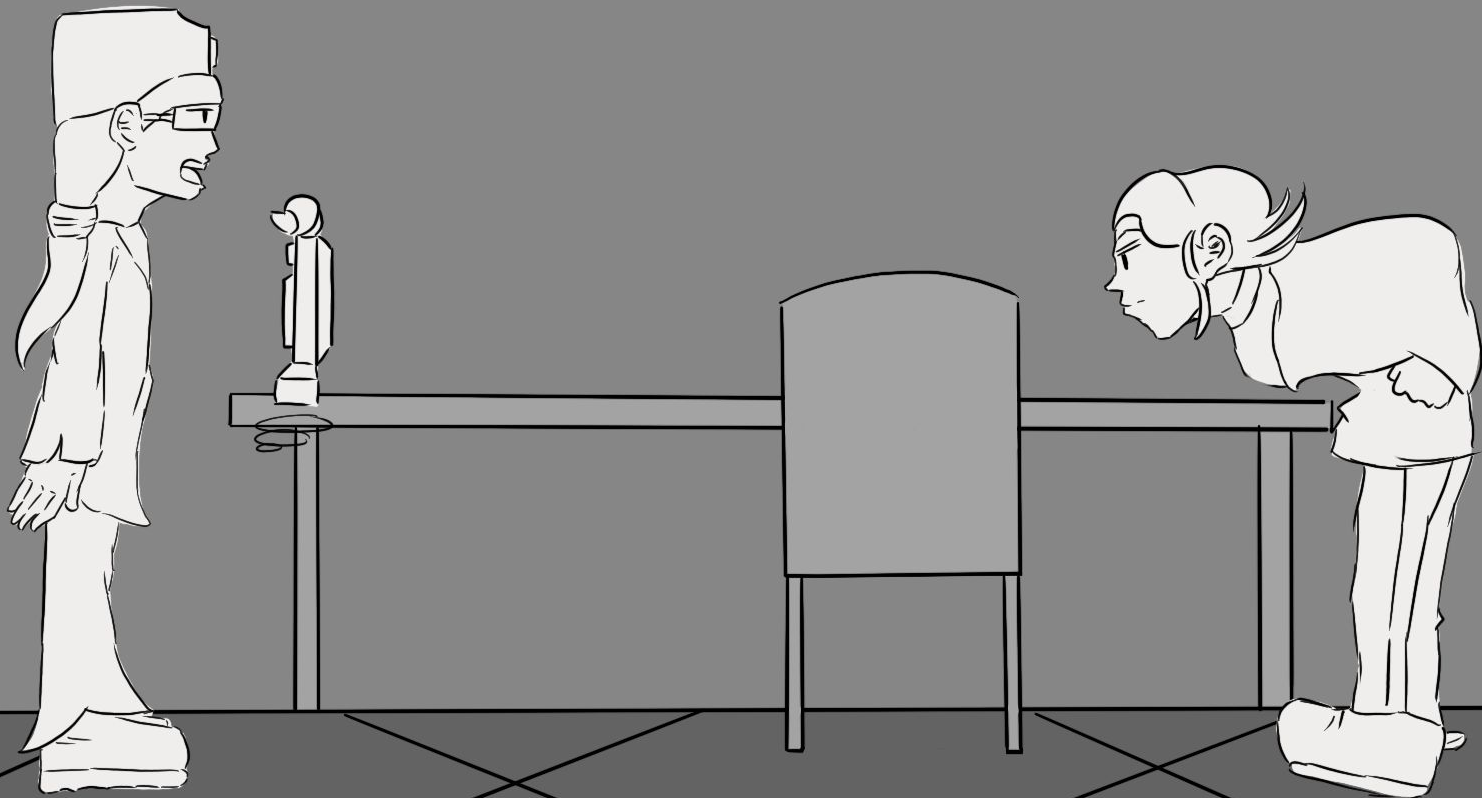

Oh, you're awake!

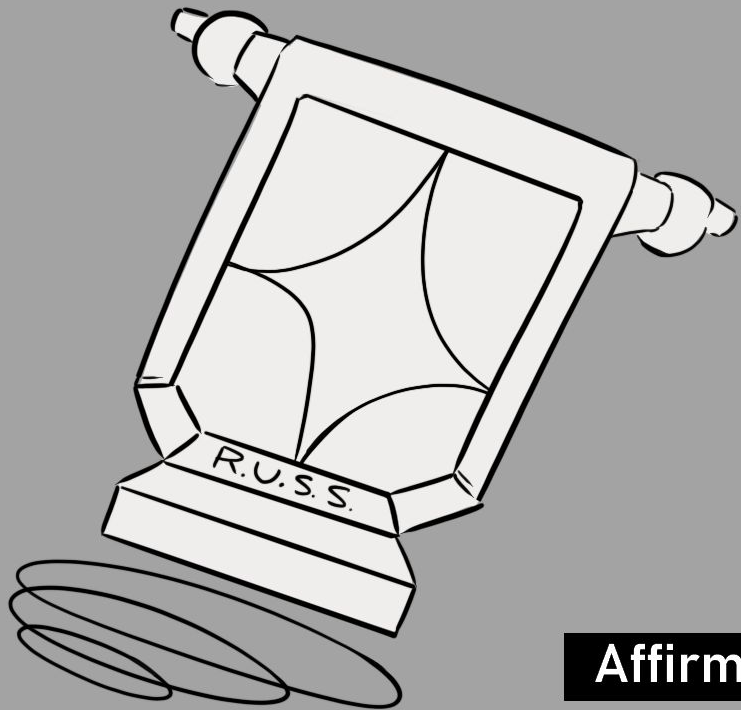

Did I hear you correctly Milon? What'd I do this time?

Just marveling in your presence, oh 8th wonder of the world.

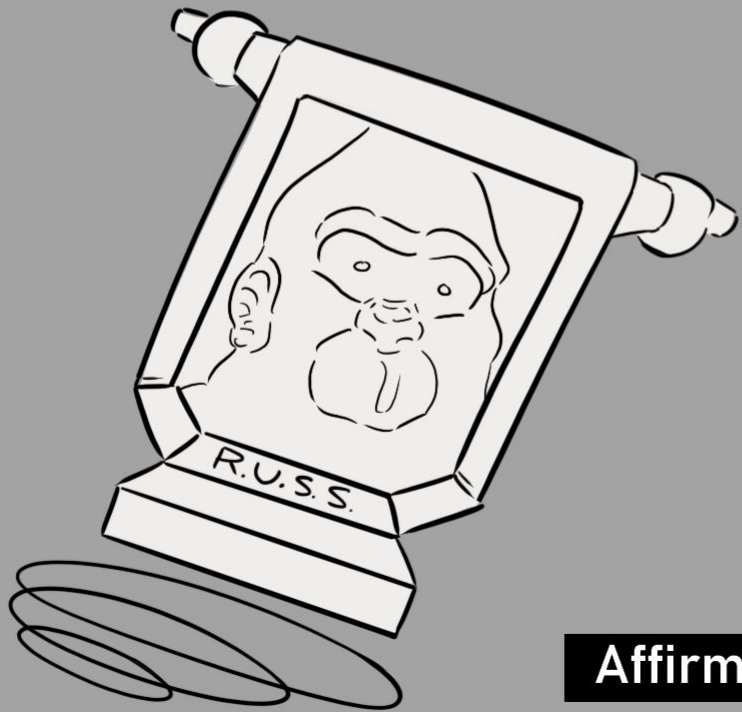

Russ, did he just compare me to King Kong?

Affirmative, he did.

Affirmative, he did.

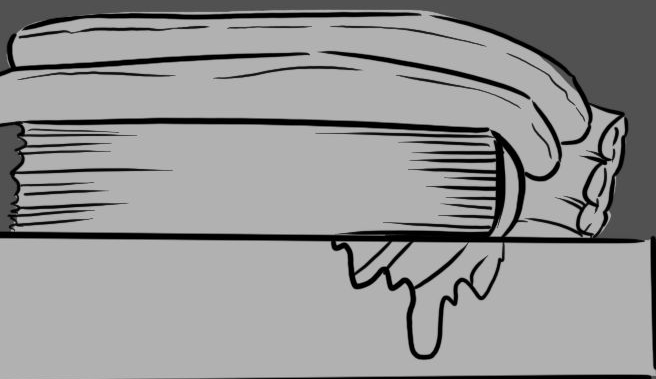

Wow Milon. No wonder you're single.

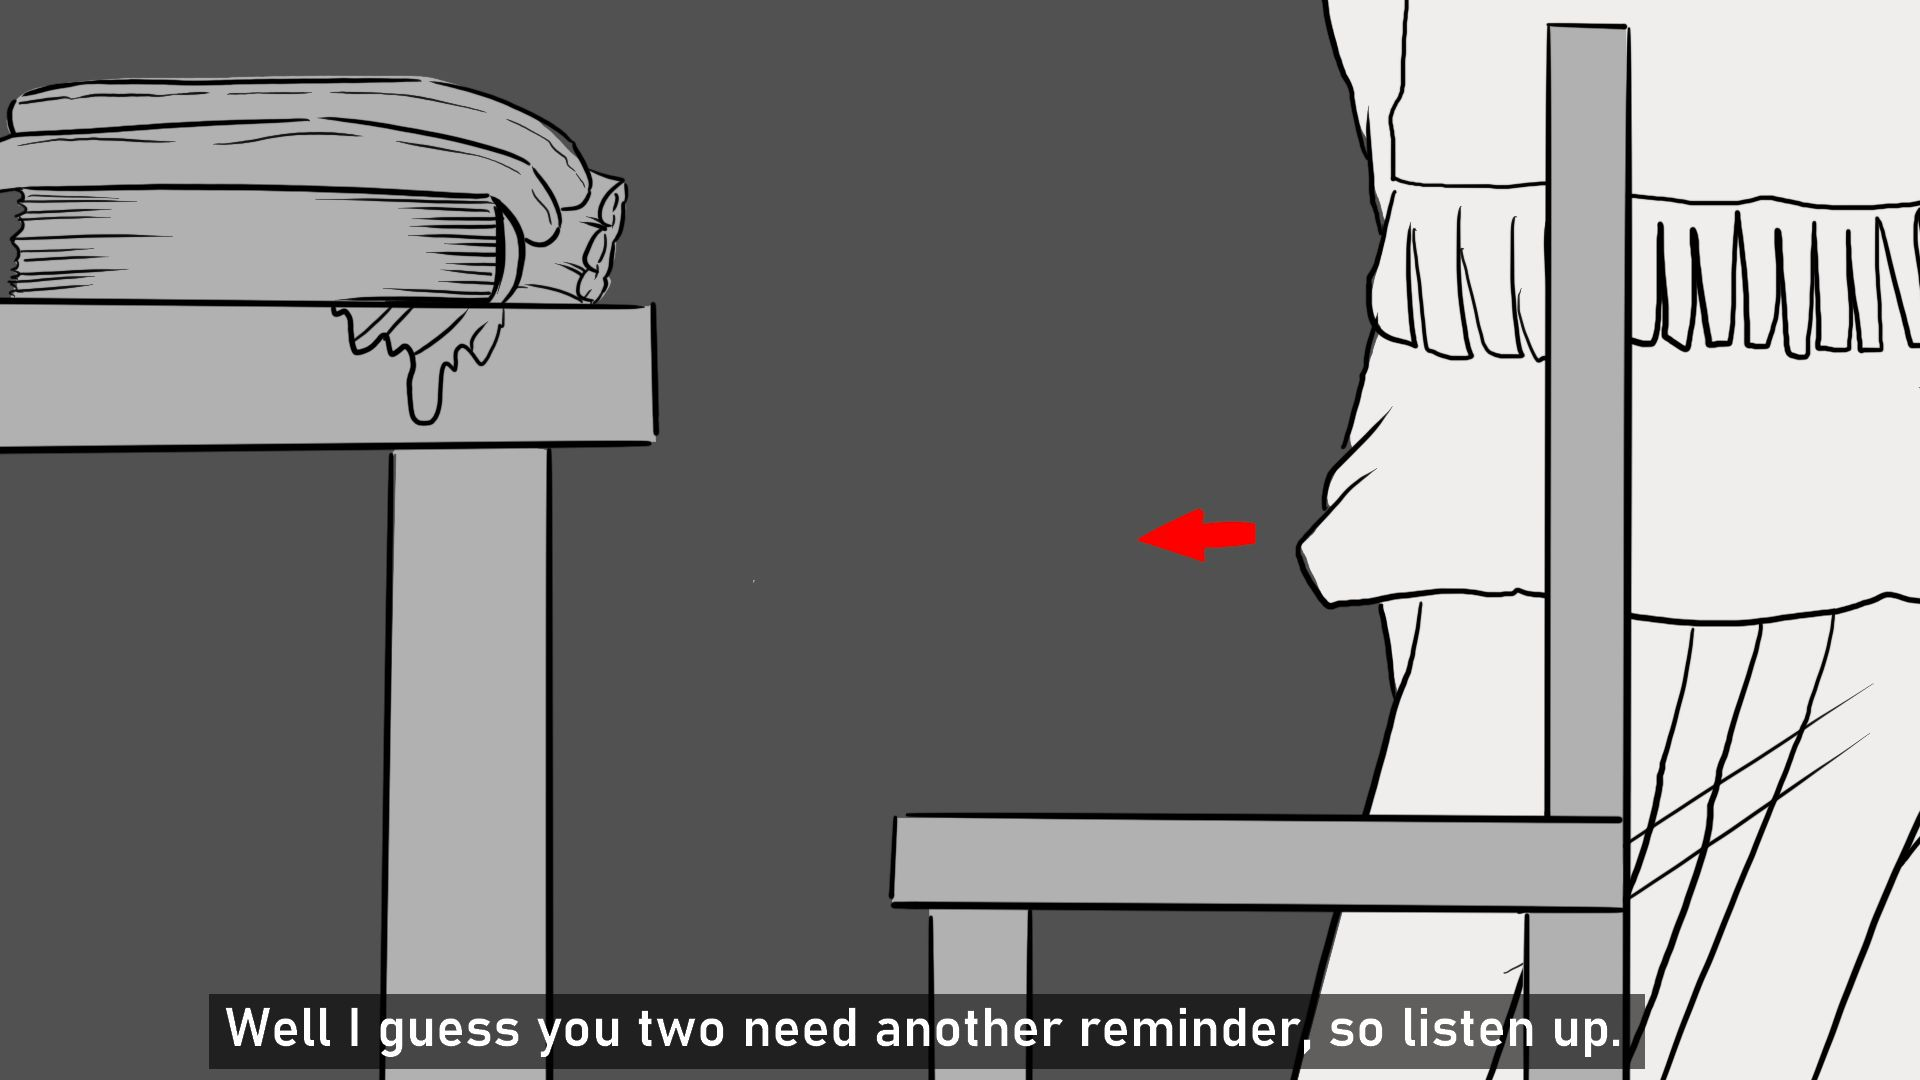

THAT'S NOT WHAT I MEANT AND YOU KNOW IT!

How long does a sunset last?

How long does a sunset last?

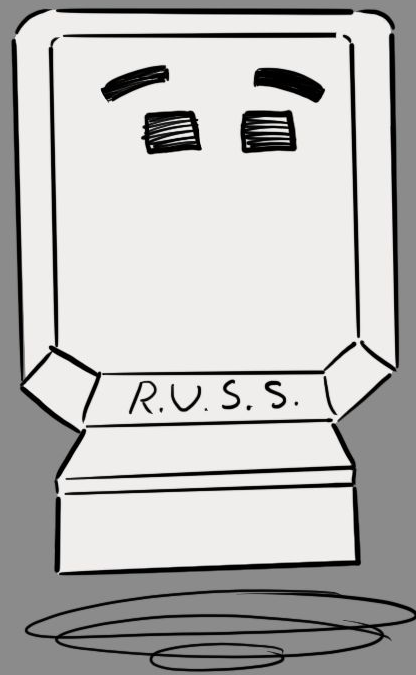

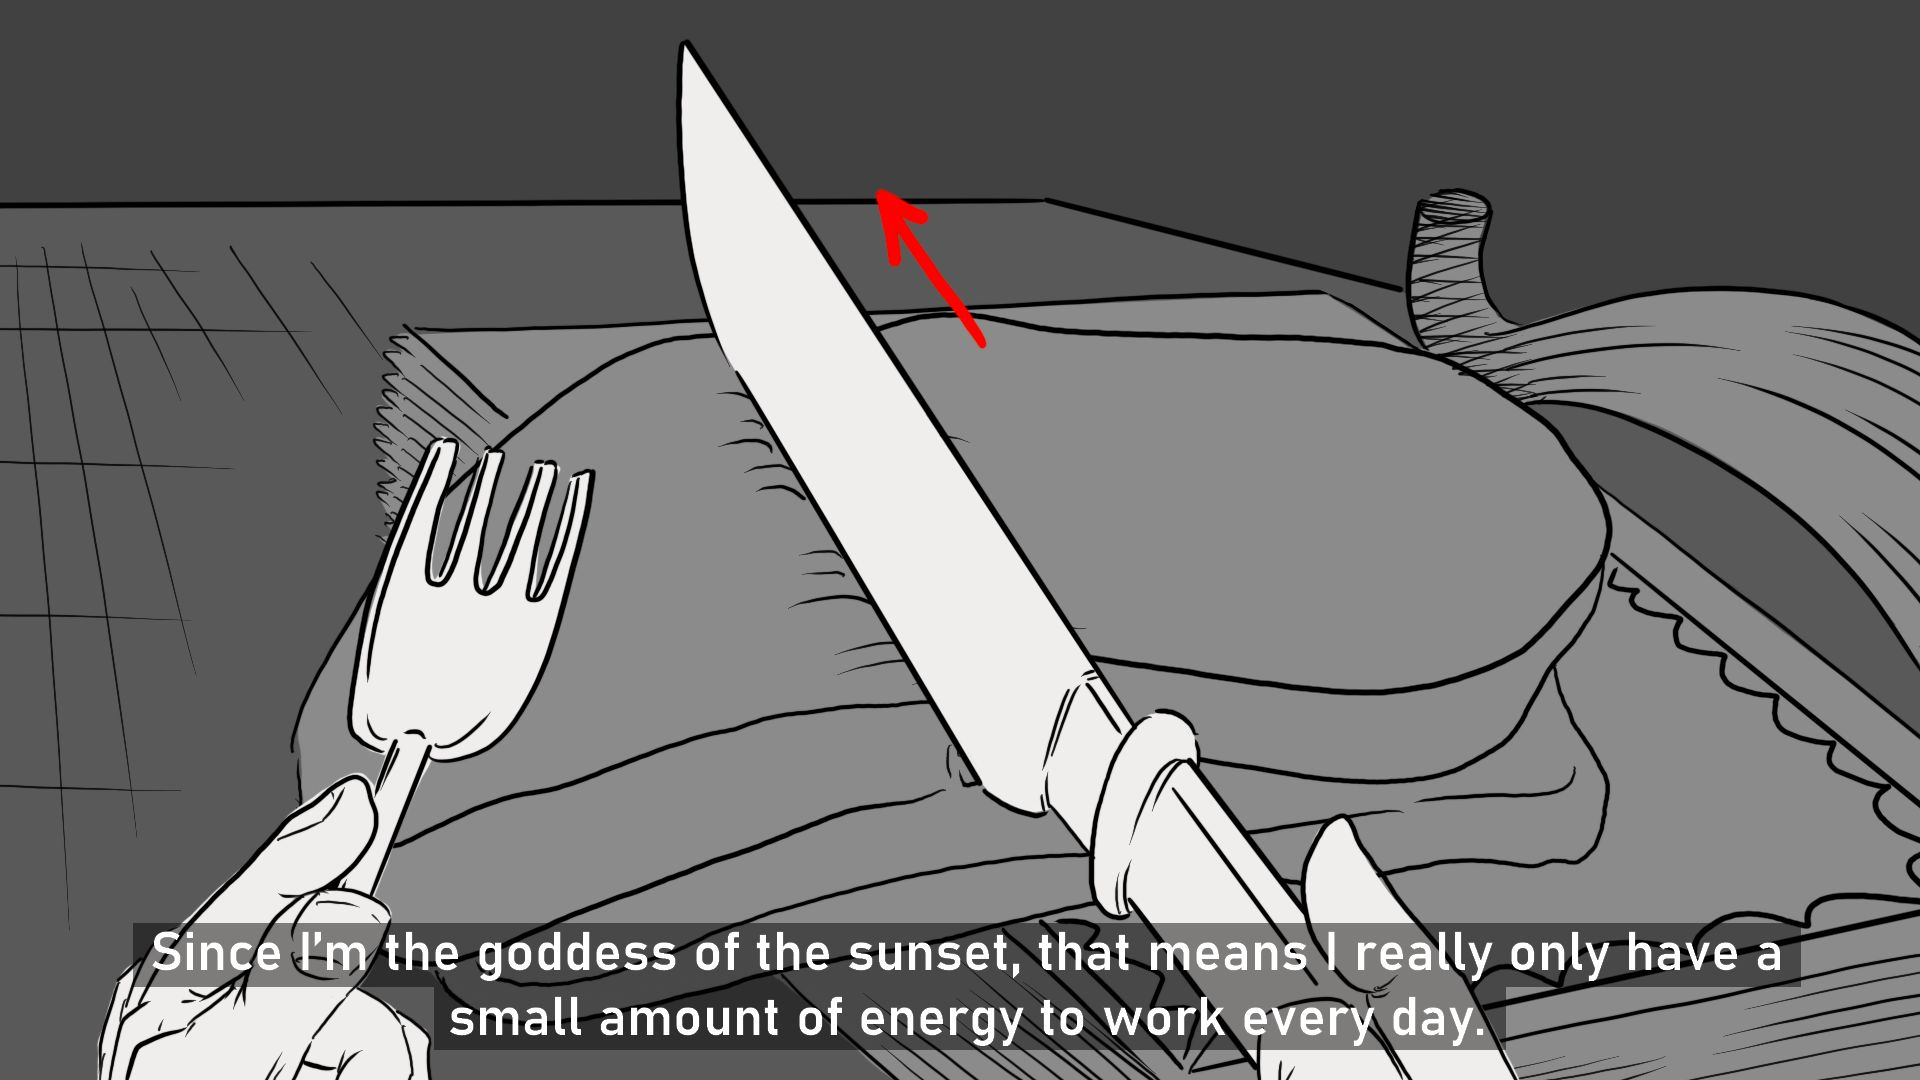

About six minutes!

Thank you Russ!

Since I'm the goddess of the sunset, that means I really only have a small amount of energy to work every day.

A black and white line drawing. On the right side, a person's face is partially visible, looking towards the left. In the center, a hand is holding a fork. A large, elongated, dripping object is impaled on the fork's tines. The object has several thick, teardrop-shaped drips hanging from its ends. The background is a solid dark gray.
